Kiss-Cote, Inc. of Tampa, FL, was honored recently at an awards reception sponsored by FARM INDUSTRY NEWS.

The reception was held to honor manufacturers of products gaining the most reader interest in Farm Industry News magazine throughout 1990, and was held in conjunction with the National Farm Machinery Show in Louisville, KY.

The winning product manufactured by Kiss-Cote, Inc. is Kiss-Cote water-proof sealant.

Farm Industry News is read by 262,000 farmers within the 12 North Central states. It is published by Webb Division, Intertec Publishing Corp., Minneapolis, MN.
